

DRY ERASE SCREEN PANORAMIC

Dual-purpose projection screen and writable marker board combination.

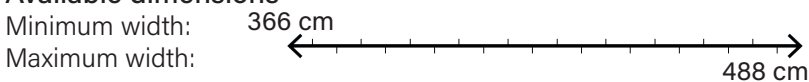

Product specifications:

- Frame projection screen with an aluminum frame and can be used with an ultra short throw projector, as an interactive screen or as a whiteboard with dry erase markers.
- The Dry Erase Screen Panoramic has a three panel design to cover large walls with magnetic dry erase marker board functionality.
- The center panel is formatted for projection with side panels for collaborative writing space.
- The slightly visible seam between the three panels functions as the outer edge of the projection area on the center panel.
- The Dry Erase Screen surface to consist of a proprietary projection surface permanently bonded to a magnetic substrate that allows use of dry erase markers, interactive stylus and touch interactivity.
- Projection surface to have a gain of 2.5 and a viewing angle of 50 degrees.
- Frame will be 25mm thick with a 9.5mm bezel in aluminum with a silver finish.
- Bezel thickness at the screen surface is 1.5mm.
- The Dry-Erase Screen is available in a standard 16:10 Wide and 16:9 HDTV format to match the dimensions of the projected image.
- Projection surface is GreenGuard Gold certified.
- Dry Erase Screens include top mounting brackets, lower mounting brackets, 62 cm length marker tray, a set of four dry erase markers and cleaning cloth.
