

Klick&Show

K-WM

Kindermann Klick&Show K-WM – The smart solution for wireless presentations!

- > **Universal**, cross-platform wireless solution for BYOD presentation
- > **BYOD** – Present wirelessly via Apps for Windows, MacOS, Android or via AirPlay, Miracast and Google Cast
- > **Best picture quality** via HDMI output in 4K60 resolution
- > **Split-Screen function** for simultaneous presentation of up to 4 participants on the main display
- > **For software-only operation** (no compatibility to Klick&Show transmitters)
- > **Full enterprise network integration** possible, with total control for administrators via the built-in web interface or the free ManageTool
- > **Intuitive-to-use** and secure

Klick&Show K-WM is a cost-effective wireless presentation system, for small to mid-sized meeting rooms, huddle spaces and classrooms, supporting BYOD (Bring your own device). Klick&Show allows users to share audio-visual content from laptops or mobile devices in a simple way – with no cables, no hassle, and no wasted time.

Laptop users simply launch the Klick&Show client App for Windows or MacOS to mirror content to the main screen. Content from mobile phones and tablets can be shared just as easily via AirPlay, Miracast, Google Cast or via the free Android App.

Details

Technical specifications

Wireless mirroring of screen content (BYOD)
Wireless transmission of USB camera/audio (BYOM)
Compatible transmitters
Windows 10 / 11
macOS
Mobile devices
Miracast support
Maximum resolution, wireless
Simultaneous connections RJ45
Simultaneous connections internal WLAN
