MOBILE STAND

COLLABORATION AND **MOBILITY** COMBINED

Take your Newline interactive display anywhere in your space with the Newline Mobile Stand. The wide base gives the mobile stand as firm a foundation as if the display were mounted to the wall. The mobile stand leaves you free to place the display anywhere in the room you like, or take it from space to space. Additional shelf support lets you carry around extra equipment for your presentations or lessons, including papers, laptops, or AV equipment.
